We are pleased to announce that, following the recent golf tournament and additional donations, the fundraising goal for the van project has been successfully achieved—and we have slightly exceeded our goal. Your steadfast generosity and support have enabled us to reach this milestone in just eight months. We're so thankful for everyone's faithful support!

Both new vans are now here and have already been put to good use by our youth groups. They are currently being used to transport the Alaska Group to and from the Minneapolis airport. With the additional funds raised, we are planning to add premium quality floor mats to the vans. These mats will help keep them looking newer longer and make cleaning easier.
